FALL LIST NORTHERN GROWN TREE SEED

September 1932.

All seed listed with the exception of Norway spruce (see list) was collected in Northern New England, is certified as to origin, has been carefully stored, and tested for purity and germinative energy.

The lots of seed which show complete germination test are ready for immediate shipment. Other listed items which are now being collected and extracted, may be made available for fall planting if orders are placed promptly.

- PLEASE ORDER BY LOT NUMBER -
